All dyes now but Mrs Bec... in Peterborough

MUSEUM AT THE ALAMO

San Antonio, Texas

Erected in 1718 as a church and fortress, it became the symbol of Texas independence. During the Texas-Mexican Independence War in 1836, it was defended and lost to the last Texan. Soon "Remember the Alamo" became synonymous with Texas independence.

One of the most interesting sights (to me) in the city — also San Jose (your mother's card). The scenery is quite fantastic. I've seen living conditions I did not dream existed in this country. Over dozen & see these things on a boat or train. Hope you have a nice meeting in March. Regards to all the "girls": Christine
